

REMARKS

The above amendment is submitted to place the specification and claims in substantially the same condition as to the specification and claims which have been amended under Article 34 in the international application. Further, the claims have been amended to remove improper multiple dependency and multiple dependency. An English translation of the annexes of the PCT international preliminary examination report is enclosed. Early and favorable action is awaited.

In the event that any fees are due in connection with this paper, please charge our Deposit Account No. 01-2340.

Respectfully submitted,
